35-0050	CT-453 Current Transducer	AC Current Transducer, clamp-on probe, 0-1000 Amps, 50/60 Hz, 0-5VDC output. For SRP loggers only.	€ 252,00
35-0070	4-20 mA Loop Powered Passive Isolator	DC current isolator (self powered). For SRP loggers only.	€ 462,00
35-0110	Single Phase Voltage Transducer	One output, 0-5 Volt transducer for logging single phase, 120 Volt, 60 Hz electrical systems. For loggers with a 0-5 Volt channel.	€ 399,00
35-0120	3 Phase Voltage Transducer	Three output, 0-5 Volt transducer for logging three phase, 600 Volt, 60 Hz electrical systems. For loggers with a 0-5 Volt channel.	€ 728,00
38-0002	N/A AC Current Line Splitter/Multiplier	North American line splitter. Separates hot/neutral lines between electrical device and receptacle. Includes a 10X multiplier.	€ 65,00
39-0008	Moxa NPort W2150A	Enables SmartReader Plus data loggers to communicate over a Local Area Network (LAN) and /or Ethernet wirelessly.	€ 522,00
39-0009	Moxa NPort 5110	Enables SmartReader Plus data loggers to communicate over a Local Area Network (LAN) and /or Ethernet.	€ 336,00
45-0000	Hard Plastic Plate Mount - SmartButton	Permanent, rust-proof, plastic mount plate for SmartButton loggers.	€ 4,00
45-0001	Soft Plastic ID Tag - SmartButton	Plastic identification tag for SmartButton loggers.	€ 3,00
45-0003	Adhesive Backing - SmartButton	Pre-cut pressure-sensitive adhesivebacking for SmartButton loggers.	€ 1,00
45-0005	Straight Flanged Key FOB - SmartButton	Permanent, rust proof, straight plastic key fob for SmartButton loggers.	€ 4,00
45-0013	Protective Capsule - SmartButton	Mechanical enclosure to protect the SmartButton Temperature logger from moisture, solvents and pressure.	€ 83,00
89-0000	Telephony Connector Installation	Installation of two Telco RJ-11 connectors on both ends. Compatible with modem to Telco systems only. Order cable separately.	€ 30,00

89-0001	Network Stereo Connector Installation	Installation of one male and one female stereo connector. Order cable separately.	€ 30,00
89-0002	Logger Network Telco Connector Install	Installation of two Telco RJ-11 connectors on both ends. Compatible with logger networking only. Order cable separately.	€ 30,00
89-0003	Thermocouple Tip Welding Service	One end welded. Customer must supply or order thermocouple cable separately.	€ 30,00
89-0004	Sensor 2 Lead Extension Connection	One end connected to existing sensor and protected with heatshrink. Other end stripped and tinned.	€ 30,00
89-0004	Sensor 2 Lead Extension Connection	One end connected to existing sensor and protected with heatshrink. Other end stripped and tinned.	€ 30,00
89-0005	Sensor 3 Lead Extension Connection	One end connected to existing sensor and protected with heatshrink. Other end stripped and tinned.	€ 38,00
89-0006	Non-Warranty Repair SRP	Non warranty repairs for SmartReader Plus loggers.	€ 419,00
89-0007	Non-Warranty Repair PowerWatch	Non-warranty repairs for PowerWatch.	€ 272,00
89-0008	Non-Warranty Repair Naut., SR, TRH, OWL	Non-warranty repairs for Nautilus, SmartReader, TRH & OWL loggers.	€ 198,00
90-0054	Single Point Calibration	No NIST certificate available.	€ 158,00
90-0108	3-Point Single Channel Calibration	Includes NIST Certificate.	€ 158,00
91-0000	TrendReader Full License	Serial number for full install (no USB required).	€ 104,00
91-0101	TRX Pro Full License	Serial number for full install (no USB required).	€ 179,00
91-0021	TrendReader Express (License Only)	Serial number for full version of software (no USB required).	€ 83,00
